## Visitors to Worcester Victorian Christmas Fayre are advised to plan ahead and allow extra time this weekend

Visitors travelling by train to Worcester Victorian Christmas Fayre this weekend, are advised to plan ahead and allow extra time for their journeys.

The annual festive market opens on Thursday (29 November) and runs until Sunday (2 December).

West Midlands Railway is advising customers to prepare for trains and

stations to be busier than usual, by allowing plenty of time and planning their journey options before heading out.

At Worcester Foregate Street, the closest station to the market, a queuing system will be in place during the busiest times. This will help keep people moving safely on and off trains.

Ticket gate lines will also be staffed throughout the event. To avoid additional delays, passengers are reminded to make sure that they have a valid ticket for their journey before getting onto trains.

Ticket purchasing facilities are usually available at all stations, either from a staffed ticket office and/or ticket vending machine (TVM). Tickets can also be purchased via the West Midlands Railway app.

Richard Brooks, customer experience director for West Midlands Railway, said: "Travelling by train is a great way to get to and from the city's festivities this weekend. Trains and stations will be busier than usual, but by using queuing systems and providing additional staff on hand to assist, we are confident that we will be able to keep everyone moving.

"We advise anyone travelling to plan their journey options, allow some extra time and to make sure that they know when their last train home is departing. We don't want anyone to get caught out or left behind!"

**About Worcester Victorian Christmas Fayre**

The Victorian Fayre was first started back in 1992 by traders from picturesque New Street and Friar Street. Now in its 26th year, the Fayre may have grown a lot but it has stayed true to its traditional roots with plenty of Victorian themed characters, festive treats and a wonderful atmosphere. This year there will be almost 200 stalls across the city centre, selling local arts and crafts, delicious street food and gifts.

As well as a wonderful array of stalls, there will be a fantastic programme of entertainment to celebrate the event's special anniversary. This will include Victorian characters in Gin Lane, lofty entertainers on stilts, brilliant musicians on stages and buskers on every street corner.
