West Midlands Trains statement in response to RMT

West Midlands Trains has today issued a statement in response to the RMT union, which has declared a dispute with the company in relation to driver-controlled train operation.

A West Midlands Trains spokesperson said:

"We reached a framework agreement with RMT in May last year which guaranteed a safety-critical conductor would be retained on every passenger train. Dialogue has been ongoing since then but it appears RMT has now

changed its position."

About West Midlands Trains

West Midlands Trains operates both West Midlands Railway and London Northwestern Railway services.

- **London Northwestern Railway** services operate between Liverpool and Birmingham, and on the West Coast mainline to and from London Euston.
- **West Midlands Railway** services operate to destinations across the West Midlands via Birmingham New Street.

For more information on these services visit westmidlandsrailway.co.uk or londonnorthwesternrailway.co.uk

The West Midlands Trains franchise started on 10 December 2017 and will run until 2025/26.

West Midlands Trains operates 1,300 services a day, manages 150 stations and provides over 70 million passenger journeys a year. Over the course of the franchise, West Midlands Trains will be investing £1 billion into the rail network to deliver new trains, improved routes and station upgrades. This will include 400 new train carriages across the network and space for an extra 85,000 passengers into Birmingham and London at peak times.

The franchise is a joint venture between Abellio (70.1% share) and East Japan Railway Company / Mitsui & Co., Ltd (29.9% share in a 50:50 split). Abellio is the international passenger transport subsidiary of the Dutch national railway company, Nederlandse Spoorwegen. In the UK, Abellio operates ScotRail and Greater Anglia train services, Merseyrail services in a joint venture with Serco and buses through Abellio London. For more information visit www.abellio.com
